

# ⌘ CHIROPRACTIC TESTIMONIAL ⌘

Tell your story about how Chiropractic helped you regain, obtain and enjoy life and health more abundantly! Remember, your story may help others achieve the level of health that all of us deserve.

The following list might help you with your story: What health problems you've had, for how long, have they interfered in your life or activities, have you seen any other doctors (M.D.s, Osteopaths, Acupuncturists, etc.) what treatments / drugs were prescribed, the results / side effects, when did you start chiropractic care in our office, who referred you, describe your results, are your family / friends under care. Add anything else about our office, staff, techniques, policies, etc. that you feel may help others in their journey to better health.

I SUFFERED FROM WHAT I WAS TOLD WAS SCIATICA FOR OVER 20 YEARS AND THAT I WOULD HAVE TO EITHER LIVE WITH IT OR HAVE SURGERY. AFTER A COUPLE OF ADJUSTMENTS FROM DR. FORE I HAVE NOT HAD ANY RELAPSES. DR. FORE'S APPROACH AND INTERACTIONS WITH HIS PATIENTS IS UNBELIEVABLY GREAT. HE MAKES YOU FEEL SO AT EASE WITH HIS DEMEANOR AND THE EASY WAY HE EXPLAINS WHAT IS WRONG AND HOW TO FIX IT. AS I GET OLDER, MY QUALITY OF LIFE HAS GREATLY IMPROVED THANKS TO DR. FORE.
