"LIVE LONG AND PROSPER"

MERRY CHRISTMAS AND HAPPY NEW YEAR!!!

I am amazed that the year is almost over. The Christmas season is upon us and once again we can be grateful for all the blessings we have in our lives, the love we all share and the message of peace and good will that makes the Christmas season so special.

I want to thank all of you "true believers" in UC Blair Chiropractic care. It is your success with your health issues that bring me joy. I see miracles happen every day. I see the intelligence of the universe at work in all of us all the time. I watch INNATE INTELLIGENCE change the way our bodies function for the better. I see longevity and prosperity come to those who have had their subluxations removed. I am grateful for being a small part of all this magnificence. Christmas reminds me of all these wonderful things that happen to all of us because we are loved....

THANK YOU

We want to thank the following special people: Brad & Darlene Graham, Angela Sinnett, Kahram Zamani, Kurt Wasmann, Laura Hanks, Johnna Trimmer, Debbie Meeker, Sue Wishengrad, Steve Armellino, Dr. Alan Sosin M.D., Nancy Genena, Danielle Wilson, Greg Clement, Sandy Leonard, Sandy Forkert, Linda Mussalem, Dr. Al Tomp, D.C., Jeff Brion, Rosanne Klein, Chuck Pechin, Dr. James Horton, D.C., Lynne Atkinson, Al Camera, Darrell Maffei, Alii Ontiki, and Tina Finch for their referrals !!! We are grateful for these "heroes". They have helped to change someone's life. Thank you very much.

Remember the secret - what your mind perceives and believes - you will achieve. To be able to follow that secret and incorporate it into your life requires some work and dedication, but the rewards are more than worth it. It applies to all areas of our lives – health, relationships, work, money, emotions, etc. It is truly a gift. I wish you all that gift – the gift of endless possibilities – this Christmas and in the year ahead.

So give lots of hugs and kisses to the ones you love this holiday season. It will make you feel good. Take the time to smile and spoil yourself a little bit. You deserve it because you are special. Thank you all for being you and for all you’ve done for me and my loved ones. God bless you. Live long and prosper.....

*Humankind has not
Woven the web of life.
We are but one
Thread within it.
Whatever we do
To the web,
We do to ourselves.
All things are
Bound together.
All things connect.*
