"LIVE LONG AND PROSPER"

Hello to all our friends! It has been a while since I have dropped you a line, but there has been quite a lot going on in the last few months. First and foremost, **WE HAVE MOVED!!!** Not to worry, we are still in the same building (I have been with the same landlord and manager for the past 16 years and they are both subluxation free clients). Ray, the owner of the building, was kind enough to rent me what I believe is the nicest suite in the building and Armando, the manager extraordinaire, painted and refurbished it for us. It is roomy and a big step up from where we were. **When you come into the building, we are the first door on the right, # 120.** Please come by and check it out. It will give you an excuse to have your spine checked as well!

We are planning to have another get-together. The last one was a lot of fun and we all had an interesting night. Ron Andrews gave a very informative presentation on cold laser therapy (thank you, Ron) and I did my thing with the spaghetti sauce and Chiropractic (of course). Thank you to all who came by and I especially want to thank Tom Shields, Sandy Parten, Melody Roach and Bruce Cook for bringing guests to learn about the importance of Straight Chiropractic for a long and healthy life. I will send another e-mail and let you know about our holiday schedule for our next "gathering".

Thank you to all who have referred their family and friends to our clinic – Jeff Brion, Rosanne Ramirez, Angela Sinnott, Ron Bond, Veronica Roach, Bryce Patterson, Margaret Weir, Heather Weir, Leslie Denny, Wayne Daniels, Brandon Colwell, Bruce Cook, Fred Rasp, Sue Granzella, Nancy Genena, Chuck Pechin, Michael Fausone, Claudia Hernandez, Laurie Blood, Jason Neu, Sandy Parten, Elaine Tsan, Amanda Waldenville, Jerri Lynn Honeycutt, Alyssa Granzella, Jenny Friend, Brad Graham, Kelly Ewing, Jessica Bauer, John Honeycutt, Ron Andrews Justin Navares,, Mary Woodward, Troy Mikulka, Dawn Driesbach, Annie Woodward, Ramona Alfieri and Dr. Allan Sosin.

The best compliment a doctor can receive is when his patients refer friends and family. It is all about trust in the work he does and even more so when it is about Straight Chiropractic. It is so important to inform people who are suffering about how the power of the Innate Intelligence of their body can help them heal and live full, productive lives.

Soooo....got to get to the new office early. There is so much to do to get it looking "homey". I would be neglectful if I did not take this opportunity to thank my wife Jody and my children, Teyeah and River for having the patience to go through this move with me – seems like I'm hardly ever home lately. And of course, a huge thank you to Suanne for all she has done to make the clinic a success- could not have come this far without her unselfish support.

Looking forward to seeing all of you real soon. Just give Suanne a call and make an appointment. God bless...Live Long and Prosper
