

CHIROPRACTIC TESTIMONIAL

Tell your story about how Chiropractic helped you regain, obtain and enjoy life and health more abundantly! Remember, your story may help others achieve the level of health that all of us deserve.

The following list might help you with your story: What health problems you've had, for how long, have they interfered in your life or activities, have you seen any other doctors (M.D.s, Osteopaths, Acupuncturists, etc.) what treatments/drugs were prescribed, the results/ side effects, when did you start chiropractic care in our office, who referred you, describe your results, are your family/friends under care. Add anything else about our office, staff, techniques, policies, etc. that you feel may help others in their journey to better health.

I HAVE WORKED IN WHAREHOUSES & BEEN A COMMERCIAL DRIVER OF TRUCKS & BUSES FOR 30 YRS. AT AGE 48 I WAS DOING STRECHING EXERCISES GIVIN TO DRIVERS THROUGH MY JOB, SOMEHOW WHILE DOING THESE STRECHING EXERCISES I PINCHED A NERVE IN THE LOWER PART OF MY NECK & OR POSSIBLY INJURED A DISK. I STARTED GETTING PAIN BEHIND THE MUSCLE IN MY LEFT BICEP, I CHECKED WITH MY ^{PERSONAL} ~~PERSONAL~~ DOCTOR AND HE COULD NOT GIVE AN ANSWER. THEN AS THE YEAR WENT ON MY LEFT ARM STARTED GETTING FATIGUED EVERY TIME I REACHED FOR SOMETHING IT GOT TO THE POINT WHERE I COULD NOT TURN THE STEERING WHEEL IN A FULL ROTATION WITH MY LEFT ARM AND WAS RELYING ON MY RT. ARM ONLY FOR FULL TURNS, MY WIFE WHO WAS ALREADY SEEING DR. FIORR CONVINCED ME TO GIVE HIM A TRY. JUST BEFORE MY 50TH BIRTHDAY I STARTED SEEING DR. FIORR. (IN LATE JULY 2003). HE FOUND PROBLEMS WITH MY NECK AREA FROM 30 YRS. OF BEING BOUNCED AROUND ON THE ROADS. HE STARTED MAKING ADJUSTMENTS ON A SCHEDULE THAT WE HAD WORKED OUT. ON NOV. 30, 2003 DR. FIORR MADE AN ADJUSTMENT AND I IMMEDIATELY ^(OVER)

(See other side)

FELT THE PAIN LEAVING MY ARM, I LAID DOWN AND
RESTED FOR 30 MIN. AND FELT MORE PAIN LEAVING MY ARM.
IN THE NEXT FEW DAYS THE PAIN COMPLETELY SUBSIDED,
I WAS ABLE TO FINALLY REACH FOR THINGS WITH MY LEFT
ARM WITHOUT PAIN OR FATIGUE, AND WAS ABLE TO USE BOTH
ARMS WHEN TURNING THE STEERING WHEEL.

SINCE THE NOV. 30TH ADJUSTMENT, MY NEXT ADJUSTMENT
WAS THE MIDDLE OF JAN. 2004, AND EARLY APRIL 2004.

I AM WRITING THIS JUNE 9TH 2004 AS I AM GOING
TO DR. FIORR OFFICE TO SEE IF AN ADJUSTMENT IS
NEEDED.

I AM GLAD I STARTED SEEING DR. FIORR AND HE
WAS ABLE TO FIX MY PROBLEM WHICH MY REGULAR
DORSON WAS NOT ABLE TO FIX.

THANK YOU FOR HELPING US HELP OTHERS!

I hereby testify that the above statements are true, to the best of my
knowledge, and release this information to be used for the purposes of
patient education.

CHIROPRACTIC TESTIMONIAL

Tell your story about how Chiropractic helped you regain, obtain and enjoy life and health more abundantly! Remember, your story may help others achieve the level of health that all of us deserve.

The following list might help you with your story: What health problems you've had, for how long, have they interfered in your life or activities, have you seen any other doctors (M.D.s, Osteopaths, Acupuncturists, etc.) what treatments/drugs were prescribed, the results/ side effects, when did you start chiropractic care in our office, who referred you, describe your results, are your family/friends under care. Add anything else about our office, staff, techniques, policies, etc. that you feel may help others in their journey to better health.

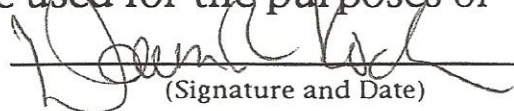

Most of My life I always remembered having headaches constantly, always thru childhood taking aspirins. Then when I was 22 I had a tragic car accident (head on collision) my heart had stopped beating for a short period until it was revived, I was in a coma for 14 Days. The Doctors told my mother if I woke up I would never walk or talk again. When I woke up I was a 9yr old mentally. After having to relearn life, how to walk, bath, eat etc... thru a transitional learning center. I eventually started working again + basically living again. I met my Husband on a bus. A couple years later we were married + eventually started our family together. When our son was 3yrs old had another ~~car~~^{car} accident, totally the vehicle. But we walked away I was feeling a severe bruising from my neck down to my hips I thought I should see a chiropractor, the traditional ones and started feeling worse, always hurting etc... We moved and met this family that was going to join @

Straight chiropractic DO after we prayed we checked it out. That was about 2 1/2 yrs ago. I was having to go to the old chiropractor every week. Since I have been seeing Jim my body is been working as it is ~~desig~~ designed to function by God. ~~That~~ It didn't happen over night but after about 6 months, I started noticing a huge difference. and my visits became less frequent. I honestly believe God lead me here and allowed healing to begin thru this kind of practice. It is a Natural Healing process! Well my husband notice the improvement in healing I have been receiving, DO he decided he'd give it a try. His arm was hurting him terribly so much it would go dead on him at times, on + off. He couldn't even put his arm around me! Plus he drives for a living so he needed help!!! Well once again after a few months of care thru this practice, he is able to have free movement with his arm. We have been trueley blessed with this kind of healing. Jim's Practice has been blessed with ~~with~~ wisdom of healing thru God. I hope God will bless you, too!

THANK YOU FOR HELPING US HELP OTHERS!
